NEW YORK · OXFORD

Please join all of us at Berghahn in celebrating twenty-four years of independent publishing!

Dear Colleague,

Over the last few years, our journals program has rapidly expanded in scope and reputation and we are pleased to publish important journals in the subject areas of anthropology and sociology, European politics, cultural studies, and history. Each journal is fully peer-reviewed with editorial boards comprised of the leading scholars in their fields. We are above all delighted to have our journals program recognized by the AAP/ PSP through the award for [Best New Journal in the Humanities & Social Sciences](#) two years in a row! For 2008 the award went to [Projections](#) and for 2009 to [Girlhood Studies](#).

If you have any questions or suggestions about our journals publishing program and initiatives please do not hesitate to contact me directly.

Our thanks for your continued support.

Kind regards,

Uvisian K. Berghahn

REGIONS AND COHESION

Regiones y Cohesión/ Régions et Cohésion

EDITORS: Harlan Koff, *Université du Luxembourg* and Carmen Maganda, *INECOL*

The journal of the Consortium for Comparative Research on Regional Integration and Social Cohesion (RISC), a cross-regional, interdisciplinary, and multi-lingual network of socially conscious and prestigious research institutes in Europe, North America, South America, Africa, and Asia.

Regions and Cohesion is a needed platform for academics and practitioners alike to disseminate both empirical research and normative analysis of topics related to human and environmental security, social cohesion, and governance. It covers themes, such as the management of strategic resources, environment and society, social risk and marginalization, disasters and policy responses, violence, war and urban security, the quality of democracy, development, public health, immigration, human rights, organized crime, and cross-border human security.

Interdisciplinary in nature and multi-lingual in character (English, French, Spanish), the journal promotes the comparative examination of the human and environmental impacts of various aspects of regional integration across geographic areas, time periods, and policy arenas.
