BERGHAHN OPEN ANTHRO – SUBSCRIBE-TO-OPEN

In partnership with *Libraria*

Launched in 2020, Berghahn Open Anthro is a subscribe-to-open model being piloted by Berghahn Books in partnership with Libraria. Now in its third year, the initiative flipped 13 core anthropology journals fully open access in 2020 and has added *Social Anthropology*, the journal of the European Association of Social Anthropologists to the collection in 2022. Ongoing library support is vital to ensure its sustainability and its ability to publish future volumes in open access.

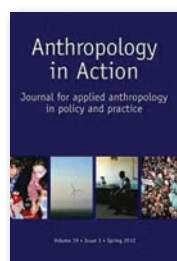

Benefits of Subscribe-to-Open:

- An opportunity for authors to publish without paying APCs, which promotes equity and diversity in scholarly research.
- A sustainable and seamless open access solution for both libraries and publishers.
- Open content to researchers with limited access to important resources.

Support the initiative by recommending one journal or the entire BOA collection to your library!
