

Illustrations

Figure 7.1. Training and workshops: the women attended training in the formal setting of university classrooms and creative workshops at the project building. We reflected on working in both settings.	129
Figure 7.2. Transferrable skills: the group experimented with visual methodologies, learning skills in film, photography and zine making.	131
Figure 7.3. Analysis workshops: group analysis of interview and observation data was critical to the peer ethnographic evaluation approach.	132
Figure 7.4. Zine making: Creativity and art making as method flowed more freely when we held workshops in a community setting.	133
Figure 11.1. Example of stimulus material.	184
